

14 Dried bloated fish bladders sold at a wholesalers stall. If you have to ask the price you cannot afford it. An expensive delicacy that is said to have substantial health benefits.

15 Dried starfish. Only saw a couple of bags, so it is not too popular. However, it is said that in Guangzho you can find anything to eat.

16 Dried croaker and scallops.

17 Seacucumbers of poor quality
- a warm water species.

18 Wholesaler stall of dried fishery products.

19 Shark fin vendor.

20 Shark fin vendor. This fin is for sale, but has been around for awhile. I was told it was from a great white and that the price is considerable.

21 Various dried species at a retailer stall.
